

## About Kinetic Light

Founded by Alice Sheppard in 2016, **Kinetic Light** is a disability arts ensemble working at the intersections of disability, dance, design, identity, and technology. Through nuanced investment in the histories, cultures, and artistic work of disabled people and Black, Indigenous, people of color, they promote intersectional disability as a creative force and access as an aesthetic critical to creating transformative art and advancing the disability arts movement. Kinetic Light artists include Alice Sheppard, Laurel Lawson, Michael Maag, and Jerron Herman. For more info: <https://kineticlight.org>
